

## HOW TO RENAME YOUR DEVICE

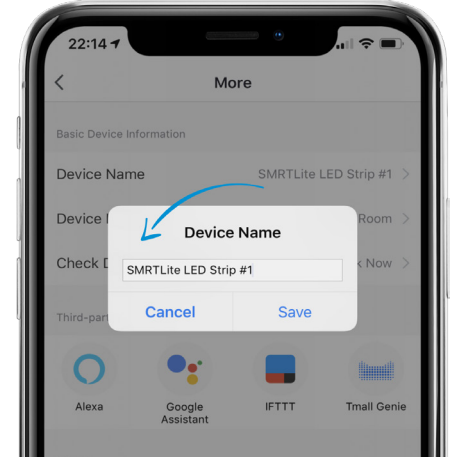

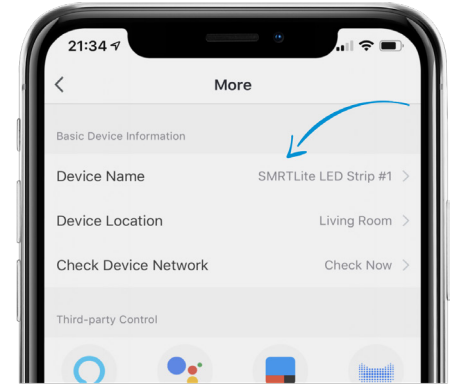

1. Open the SMRTLite App and select the device you want to control.

2. Click on the edit pencil on the top right of the screen.

3. Select “Device Name” and you will get a pop up that will allow you to rename the device. Once renamed, tap the save button.
4. Your device is now renamed. To go back to the device functions, tap the back arrow on the top left of the screen.
